Church-wide Events - FBCLC believes that having a healthy church includes good fellowship and bringing all believers together. We do this by having several

church-wide events throughout the year. With that said, it takes many hands to make light work! Depending on the event, we need people who are willing to work with food including but not limited to prep, serving, running, and cleanup.

Parking Lot Team - This is the only ministry team that influences every person who drives onto our campus. From regular attendees or members, they are the first to extend a warm, friendly greeting. They are a very important first impression of our church. Where do worship services begin at church? Surprisingly, it actually begins in the parking lot, each and every service, the Parking Lot Ministry Team, made up of dedicated volunteers, has the distinct opportunity to make a positive impression on our worshipers.

Harvest Host - We are a Harvest Host stay location. Members of Harvest Host can request a stay here on our campus for the night as they travel to their next destination. We have enjoyed meeting lots of new folks through this program, many of them have attended our services or events while staying on our property. We look forward to the people the Lord will bring our way in the future.
